

N I N E P I N E S L O D G E

Rooted in History, surrounded by Nature, made for Adventure.

OUR HISTORY

In the vast, untamed wilderness of Khentii province, where the Onon river carves its path through endless steppes and sacred mountains, a legend was born. This is the land of Chinggis Khaan, a landscape that forged an empire and shaped the course of history.

Nine Pines was born from this powerful spirit. The number 'nine' is sacred in Mongolian lore, a symbol of wholeness, strength, and eternity. The resilient 'pine' tree stands as a guardian of the forest, a symbol of life and perseverance through the harshest winters and warmest summers. Our name is a tribute to the enduring spirit of this land.
